COUNCIL TO HOLD PUBLIC HEARING ON COUNTY PLANNING & DEVELOPMENT APPROVAL PROCESS

The County Council will hold a public hearing on the evening of Tuesday, November 29 to solicit public input on ways to strengthen the County's planning and development approval process in the wake of recent events involving the Clarksburg Town Center and other development projects throughout the County.

"We are anxious to hear from County residents on what should be done in the future to make sure that we have a development approval process that makes sense," said Council President Tom Perez. "We are all ears."

The hearing will be held at 7:30 PM in the 7th Floor Council Chamber of the County Office Building, 100 Maryland Avenue in Rockville and is open to all. Those wishing to testify should call 240-777-7931.
